The Maumee City School district is fortunate to have 15 community volunteer members of the Panther Pride Foundation Board of Directors and Cabinet who are raising \$2 million in privately donated funds to pay for renovations and improvements at Kazmaier Stadium. Operating revenue from Maumee City Schools is not funding this capital improvement project. The school district will pay \$600,000 from its permanent improvement fund for the portion of renovations necessary for routine maintenance, upkeep, and increased A.D.A. accessibility of the stadium, which is an important community resource that hosts in excess of 10,000 visitors every school year.
